🎓 EDUCATION

2019-ongoing

Bachelor's Degree
University of Houston

📍 Houston, Texas

A description of your degree. blah blah my degree was in computer science and it was pretty hard, blah blah blah.

GPA: 3.27

💡 PERSONAL PROJECTS

python
spotify API

New Music Monthly

link to project

A python program that automated the curation of a users playlist. Every month, all new music from your followed artists is added to the New-Music-Monthly playlist. Designed to be simple, so you do not miss any new music from your favorite artists.

javascript
react.js
HTML/CSS

Personal Website

link to project

my personal website i created in order to learn some web development and design, i used javascript, react.js, HTML and CSS.
